Selina Zhan

selina_zhan@berkeley.edu • (848) 702-4890

Education

University of California, Berkeley - Berkeley, CA **May 2029**
Bachelor of Science in Business Administration and Data Science
High School GPA: 3.98/4.00 (*Salutatorian*) | SAT: 1590 (800 EBRW, 790 Math) | 14 APs (*all 5's*)

Experience

PricewaterhouseCoopers (PwC) **Jan 2024 – Feb 2024**
Intern Team Lead

- Led international team of 40+ interns in consulting project for client Tesla, coordinating across multiple time zones to conduct triweekly research meetings, design pitch visuals, and host presentation rehearsals
- Assessed Tesla's positioning in East and Southeast Asia through competitive benchmarking, EV market share analysis, and evaluation of consumer preferences, culminating in a final recommendation to expand in Japan based on projected EV growth, local production feasibility, and alignment with Panasonic
- Proposed 3D printing integration during R&D to reduce prototyping costs and boost design flexibility, utilizing manufacturer survey data and battery production cost comparisons to develop risk mitigation strategies

Extracurriculars

Financial Inclusion Research **Apr 2024 – Apr 2025**
Student Researcher (Mentored by University of Cambridge PhD candidate)

- Researched 15+ case studies and 20+ academic sources to examine financial exclusion in Ethiopia, rural India and Southeast Asia, focusing on barriers like gender disparity, weak infrastructure, and institutional mistrust
- Published paper, *The Future of Financial Inclusion*, proposing policy-backed solutions including mobile banking, reformed microfinancing, interest-free Islamic banking, and green bond funding, implementing comparative analysis against previous programs such as India's UPI and Bangladesh's climate finance initiatives

Kean University Summer Scholars Research **Jul 2023 – Aug 2023**
Computer Vision and Data Analytics Student Researcher

- Built a Python-based pollen classification model using convolutional and multilayer perceptron neural networks with gradient descent optimization, achieving over 98% accuracy on nationwide image datasets
- Refined the model in collaboration with Dr. David Joiner and contributed to its deployment in AccuPollen, a public-facing app used by allergy-sensitive individuals and researchers tracking regional pollen trends

Future Business Leaders of America (FBLA) **Sep 2021 – Jun 2025**
Executive Council Member, Head of Community Service

- Expanded chapter membership by 400% through launching a community service branch, mentoring peers to plan and lead service initiatives such as sports equipment drives and pet food access programs, while personally organizing a donation effort that delivered 600+ food and basic hygiene items to orphaned youth
- Hosted schoolwide business fundamentals events covering topics such as stock investing, marketing strategy, elevator pitching, and accounting basics, also guiding 100+ students in national competition prep

Empowerment Through Education (ETE) **Apr 2024 – Present**
Treasurer

- Secured $6K+ in funding and managed 7+ sponsor relations with local organizations to develop and sustain an English reading program and library in Zhoushan, CN, improving literacy for 1,000+ rural students
- Managed website and social media to mobilize 400+ volunteers for book donations and transport to China

Skills & Interests

- **Financial and Analytical Tools:** Python, Excel, DCF & DDM Valuation, Data Preprocessing, Cost Modeling
- **Languages:** English (fluent), Mandarin (advanced), French (intermediate)
- **Interests:** Formula 1, Horology, Traveling, Dance, Modern Fashion, Bullet Journaling, Behavioral Psychology
