Mission Vista High School - Valedictorian

Community Colleges/Concurrent Enrollment: Santiago Canyon College, Orange CA. Mt. San Jacinto College, Temecula CA. Palomar College

EXPERIENCE & IMPACT

McLaren Formula 1 **Sept 2025 - Present**

Project Manager - Strategy Consultant *(Contract)*

- Advised McLaren's Formula 1 Accelerator program on evaluating potential market entries across emerging sectors to drive further revenue for the formula 1 team, with focus on technology, engineering, and performance innovation.
- Recommend McLaren diversification pathways for new business ventures beyond Motorsport, in engineering and aerospace.

Microsoft **Jun 2025 - Present**

Strategy and Product Management Consultant *(Contract)*

- Led end-to-end feature evaluation and usability testing for new EdTech integrations within Co-Pilot, resulting in 15+ feature improvement proposals aligned with student workflows and learning pain points.
- Designed product launch and awareness campaigns currently in execution, projected to reach 50,000+ students in initial rollout, while tracking KPIs on engagement and retention.

Unity Technologies, San Francisco, CA **Aug 2024 - Apr 2025**

Product Manager Consultant (*Contract*)

- Co-authored a research guide for executive and senior product managers, synthesizing insights from 40+ in-depth interviews with students and educators, resulting in 3 major product roadmap adjustments to align with user needs.
- Defined marketing strategy, messaging frameworks, and 3 product requirements for the Unity 3D Student Plan, supporting an initiative projected to impact over 100,000 student users globally.
- Earned the IBM Product Management Certificate by completing an intensive 8-week bootcamp.

Paladin Power Inc, Carlsbad, CA **Jan 2025 - May 2025**

Project Manager (*Contract)*

- Led a team to produce a comprehensive 23-page buyer's guide and product validation report, delivering actionable insights to executive stakeholders and potential customers.
- Designed and guided the research methodology, conducting 25+ qualitative interviews with potential customers, performing quantitative analysis on 20+ survey responses, and synthesizing 5+ academic and industry literature reviews to ensure data-driven recommendations.

Sales Consultant *(Contract)* **Jun 2024 - Present**

- Built and optimized online lead capture portals, increasing qualified leads by 30%.
- Managed Meta Ads campaigns with an $8,000 budget per month, improving click-through rates.
- Streamlined lead management in ZOHO and Method CRM, reducing response time significantly.
- Cold called, quoting, and contract drafting, closing $80k+ in new business revenue in the months of July & August.

EXTRACURRICULAR ACTIVITIES

Behavioral Economics at Berkeley **Feb 2025 - Present**

External Vice President *(EVP)*

- Source product management and consulting projects each semester, ensuring consistent client engagement opportunities for members.
- Manage all external partnerships for the club, serving as the primary liaison with organizations, sponsors, and guest speakers.
- Develop sponsorships and speaker engagements that enhance club programming, professional development, and industry exposure.

Piano

Achievements and Awards:

- Trained under world-renowned pianist Daniel Pollack at USC Thornton School of Music.
- Earning 1st-place awards in the Grand Prize Virtuoso Piano Competition (Vienna 2019, Bonn 2020, Paris 2022, Brussels & London 2023).
- Winner of the American Protégé National Piano Competition (2022) and the International Concerto Competition (2019) in New York.
- Performed at prestigious venues including the Walt Disney Concert Hall and Carnegie Hall (2020 + 2023).

Symphony Orchestra (Grade 9-11)

Temecula Valley Symphony Concertmaster.

- Tutored and mentored beginner musicians while assisting in leading full symphony rehearsals to improve ensemble performance.
- Represented the Symphony at concerts and community events, delivering speeches and engaging with audiences.
- Delivering a speech to City Hall advocating the construction of a performing arts center that resulted in a unanimous approval of the proposal.
