Sai Sidhanth Manoharan Jayanthi

2400 Durant Ave, CA • Berkeley, 94720 • sidmanoharan_2512@berkeley.edu • (510) 684-9174

Education

University of California, Berkeley — **Berkeley, CA**
Degree, Electrical Engineering and Computer Science, Engineering Math and Statistics — Expected 2028
Relevant Coursework: Object-oriented programming, SQL, Linear Algebra, Differential Equations, Scheme

JESS Arabian Ranches — **Arabian Ranches, Dubai**
IB Subjects: HL Math AA (7), HL Chem (7), HL Physics (7), SL Business (7), SL French (6), SL English (6) — Graduated 2025
GCSE : 10 A*/ 1 A

Experience

Quant Intern — Ford InvesTech Systems — July 2025 – August 2025

- Worked with IT head on data analysis projects (further details omitted due to IP restrictions)
- Leveraged knowledge in Python, Pandas, Excel, NumPy, Quantitative Trading

Co-Founder — Clean Up Clam — Sept 2023 – March 2025

- Wrote and presented ML-based environmental research on bioremediation through clams in the Rabindra Sarobar Lake.
- Collaborated with the West Bengal government's Pollution Control Board and marine researchers at the University of Calcutta to experiment and deliver bioremediation recommendations to different Indian regions.
-

Projects

AlgalML — Nov 2023 – July 2025

- Built tool allowing local governments to predict and prevent harmful algal blooming events – currently under consideration at the Republic of Congo's Ministry of Sustainable Development, Forest Economy and the Environment.
- Conducted data analysis on historical data from Stony Brook University water experimental across New York river basins

Skills

Languages: Python
Technologies: Pandas, NumPy, Datetime, Scikit-learn, PyPortfolioOpt

Coursework

- Machine Learning Specialisation - Supervised Machine Learning: Regression and Classification, Advanced Learning Algorithms, Unsupervised Learning, Recommenders, Reinforcement Learning **-** Stanford
- AI and Climate Change - DeepLearning.AI
- Introduction to Engineering Mechanics - Georgia Tech

Awards

- Competed at the 2nd round of the British Math Olympiad (top 275 out of 700,000 worldwide)
- Silver Honor at the International Logic Olympiad
- Silver Award at the British Physics Olympiad OSPC
- Silver Honor at the Finals of the International Youth Math Challenge
- UAE U18 Padel Tennis Nationals - 17th
