EDUCATION

University of California, Berkeley, Haas Spieker Undergraduate Program *(4% AR)* **Graduation: May 2029**
B.S. in Business Administration GPA: 3.92/4.00
Relevant Coursework: Financial Accounting, Calculus, Macroeconomics, Personal Finance Management, Data and Decisions

PROFESSIONAL EXPERIENCE

Zebra Technologies Corporation *(Enterprise Technology Solutions)* **Lincolnshire, IL**
Finance Intern May 2026 – Aug 2026

- Identified $15K+ in cost-savings by designing Excel models to flag underutilized licenses ahead of software migration
- Cut FP&A earnings preparation time 50% by analyzing historical 3-statement models to inform and lead development of an AI presentation agent that auto-generates earnings call decks with variance analysis; tool is now in production
- Built Power BI dashboards aggregating 1000+ rows of emissions data, surfacing GHG trend and business-line insights
- Evaluated enterprise risk and capital structure impact on market positioning through bank-led performance diagnostic

World Wildlife Fund *(Endangered Species Conservation)* **Berkeley, CA**
Sustainable Finance Consultant [Contract] Feb 2026 – Jun 2026

- Recommended 4 core methodology improvements to WWF's sustainable banking frameworks after discovering a 46% misalignment between commercial-banking and national regulatory standards during a case study of 3 Brazilian banks
- Streamlined identification of key scoring gaps across 23 banks and 78 sustainability indicators by restructuring WWF's disorganized SUSBA assessment dataset into a color-coded Excel scoring matrix with regional bank-level summaries
- Ensured SUSBA stays ahead of evolving sustainable finance sector by benchmarking against 6 global ESG frameworks

Elevate Diamond Strategy (*Executive Career Services*) **Beverly Hills, CA | Remote**
Business Strategy Intern Sep 2025 – Dec 2025

- Expanded potential client visibility and improved outreach by developing customer segmentation strategies, building Excel databases of 300+ directors, VPs, and executives across 30 industries, mapping key organizations and networks
- Uncovered market differentiation and shaped go-to-market positioning for the CEO by assessing competitive landscape of 15 comparable executive service providers, researching pricing models, service offerings, and value propositions

LEADERSHIP EXPERIENCE

The Kit Outreach – 501(c)(3) **Chicago, IL**
Founder, Chief Executive Officer Nov 2023 – Present

- Founded a nonprofit combating hygiene and menstrual poverty in underprivileged communities; scaled organization from solo initiative to a 20-person team across 3 chapters, implementing operational systems and leadership structure
- Raised over $32,500, distributing 10,500+ hygiene kits and 11,000+ menstrual pads globally (60,000+ total products)
- Reduced kit production costs 15% by partnering with Aveeno and Colgate to receive discounted personal care items
- Interviewed and featured by Comcast TV Channel 4, The Daily Herald, Hindustan Insider, and The Scratching Post

Indian Students Association **Berkeley, CA**
Finance Coordinator Sep 2025 – Present

- Spearhead financial logistics behind large-scale cultural events (Diwali, Garba, Holi, etc.), serving 800-2,500 attendees
- Manage a $50,000 budget, construct multi-year financial models, lead fundraising efforts, and track event profits/losses
- Recognized $10K in idle cash accumulating between fundraising cycles and helped reallocate it into a 1-year certificate of deposit to maximize returns, strengthening treasury management while preserving liquidity for upcoming events

Future Business Leaders of America **Vernon Hills, IL**
Chief Executive Officer, National Competitor Sep 2022 – May 2025

- Led club meetings and public speaking workshops for 60+ members, mentoring underclassmen in prof. development
- Placed 7th at Nationals in Network Design event; built an 18-page proposal outlining operations for a wireless ISP
- Qualified for Nationals in Business Ethics team event; presented a unique solution to school fair budget-cut ethics case
