WORK & LEADERSHIP EXPERIENCE

LSEG **London, United Kingdom**
Markets & Risk Engineering 3-day Placement July 2026

- Built commercial and technical grounding in fixed income market infrastructure, executing a live £400m repo trade under supervision (Tradeweb, GLMX); analysed bilateral vs. tripartite collateral structures of LCH's clearing model
- Demonstrated initiative and relationship-building beyond the scope of the placement, self-arranging a return visit after being invited back individually by 3 separate teams across FTSE Russell, index research, and collateral trading
- Developed quantitative and analytical reasoning in index construction, engaging with senior researchers on the trade-offs between tracking error and ESG-tilted methodology across market-cap and non-market-cap indices

GAIN, Man Group **London, United Kingdom**
Investment Management Insight January 2026 – April 2026

- Selected for a competitive 10 week program focused on equity research and portfolio construction
- Completed AmplifyME training in financial modelling and stock pitch delivery
- Developing an in-depth stock pitch to present to investment professionals and receive detailed technical feedback
- Engaged with buy side professionals through industry speaker events and spring insight days with Man Group

Fintech Society **Glasgow, United Kingdom**
Treasurer September 2025 – May 2026

- I was proactive and organised in leading the financial reaffiliation and revival of the society after a year of inactivity
- Successfully rebuilding membership and re-establishing budgeting, sponsorship, and event funding systems

Glasgow University Trading and Investment Club **London, United Kingdom**
Delegated Participation of the London Banking Tour October 2025

- Selected as 1/21 delegates out of 150+ applicants (14% acceptance rate)
- Engaged in a three-day intensive tour of 7 leading firms, with a focus on Investment Banks (Citi, Deutsche), Asset Managers (PIMCO, Invesco) and the world's largest sovereign wealth fund (Norges Bank)
- Gained specialised market insight in exclusive presentations and engaged in Q&A sessions with analysts and graduates

Adam Smith Business School **Copenhagen, Denmark & Stockholm, Sweden**
Global Ambassador April 2025

- Selected as 1/8 students out of 100+ applicants to represent the university as a reward for high-performing students
- Engaged with students and faculty at Copenhagen Business School and Stockholm University
- Strengthened my cross-cultural awareness, international networking skills and global outlook on finance

Adam Smith Business School **Glasgow, United Kingdom**
Student Representative of Accounting & Finance September 2025 - Present

- Elected as 1/4 class representatives of over 200 students to effectively communicate by acting as a liaison between staff and students to effectively improve course delivery
