RESEARCH & WORK EXPERIENCE

UC Berkeley Division of Undergraduate Education Berkeley, CA
Student Data Analyst Aug 2026 – Present

- Analyze student survey and institutional data to identify trends in student engagement, retention, and academic outcomes and inform decision-making across Undergraduate Education initiatives.
- Develop Tableau dashboards and static reports for campus stakeholders, translating complex findings into accessible insights for leadership and the broader Berkeley community.

Haas School of Business Berkeley, CA
Undergraduate Research Assistant Sep 2025 – Present

- Working on a market analysis project assessing menstrual cup adoption potential in rural South India (Tamil Nadu and Karnataka) by evaluating how menstrual cups can improve women's health, mobility, and affordability compared to single-use products for blue-collar female workers.
- Develop interactive dashboards using Jupyter Notebook to visualize data and adoption trends.
- Co-authoring a research paper synthesizing field data and literature to evaluate menstrual cup adoption barriers and opportunities among different age groups, ethnicities, and location of samples.

Stride Soles Remote
Marketing Intern Jun 2026 – Aug 2026

- Assist sales and marketing operations for a telehealth startup through outreach strategy testing and performance analysis, contributing to a channel responsible for ~30% of company sales.
- Support Search Engine Optimization (SEO)-driven growth initiatives by conducting consumer research and contributing to customer acquisition strategies across online community-based platforms.

Orange County Public Defender's Office Santa Ana, CA
Data Analytics Intern May 2026 – Jul 2026

- Conduct statistical analysis of sentencing data using Excel to identify racial disparities, supporting public defense attorneys in building evidence-based claims under California's Racial Justice Act.
- Develop data visualizations to illustrate sentencing patterns across demographic groups, translating complex datasets into accessible evidence for legal proceedings in Orange County.

LEADERSHIP

California Legal Studies Journal Berkeley, CA
Staff Editor Feb 2026 – Present

- Edit legal commentary articles on current events written by staff writers, providing substantive and line edits on pieces ranging from civil rights and federal policy to emerging areas of constitutional law.
- Develop legal writing and analytical skills by engaging with timely, complex legal topics through an editorial lens, applying close reading and precision communication to each piece.

Associated Students of the University of California Berkeley, CA
Operations Intern (Office of the Chief Financial Officer) Sep 2025 – Dec 2025

- Streamlined financial record management by maintaining detailed spreadsheets on Excel, tracking fund allocations (Contingency, Space Reservation), and communicating funding decisions via email to RSOs.
- Collaborated weekly with undergraduate students to help them navigate the complex funding processes at our university, practicing compassionate communication as I explained complicated procedures.
