WORK EXPERIENCE

Legali AI **Berkeley, CA**
GTM and Analytics Intern *Jun. 2026 - Aug. 2026*
- Built competitive pricing models across 7 consumer segments, directly informing go-to-market pricing decisions
- Forecasted the financial impact of alternative pricing strategies and presented data-driven recommendations to leadership
- Analyzed user behavior data to identify retention drivers and proposed gamification features to improve engagement

Shot Sync **Fontana, CA**
CMO and R&D Officer *Jan. 2025 - Present*
- Proposed cost-reducing strategies by researching pre-existing electronic components for wireless data transmission
- Positioned consumer cost to be less than a tenth of the current market, gaining presence with a competitive advantage
- Established communications with San Bernardino SWAT team sniper leads and Irvine PD to schedule regular data collection and feedback sessions at the sheriff's rifle range, gaining recognition through exposure to these organizations
- Opened communication channels and initiated outreach to LAPD, LA Sheriff Department, Riverside Sheriff Department
- Managed major outreach and networking efforts in preparation for the SHOT Show, the largest gun expo in the world
- Expanded gamification of our product by allowing users to share results with each other online in different geographies
- Collected and implemented feedback from San Bernardino SWAT team in product design applications in law enforcement
- Formulated solutions for noise reduction while remaining within IP-67 requirements of law enforcement equipment

Athena Data LLC **Fontana, CA**
Bookkeeper *May 2023 - May 2025*
- Managed double-entry bookkeeping to reconcile incoming and outgoing cash flows, ensuring accurate financial reporting
- Reduced monthly expenditures by over $5000 by implementing optimization strategies in supplier choice and management
- Sifted through government websites to locate required industrial supplies in manufacturing defense technology

Published Academic Research **Rancho Cucamonga, CA**
Researcher and First Author *Sep. 2022 - May 2024*
- Published 5 studies in prestigious journals (Journal of Student Research, Research Archive of Rising Scholars)
- 300+ downloads of my work, showcasing a tangible impact in the field of sleep studies as it relates to young adults
- Orchestrated the experimental process with 10 participants, conducting quantitative analysis through questionnaires
- Quantitatively analyzed using R code the effect of sleep restriction on visual working memory in teenagers at UCLA

Figures Co. **Fontana, CA**
Founder *May 2022 - Dec. 2023*
- Priced products and managed finances to ensure 50% profit. Advertised store on social media with 1000's of impressions
- Managed eCommerce service issues, returns, and defective products. Contacted suppliers to ship products on demand

LEADERSHIP AND ORGANIZATIONS

Muslim Student Association **Berkeley, CA**
Treasurer *Apr. 2026 - Present*
- Created master budget worth $143,000 awarded towards various initiatives including community service and banquets
- Managing and approving all cash flows within the organization to be in compliance with university regulations
- Regulating the internal use of funds in accordance with different 3 different grant policies to ensure future funding

Community Service Committee Head *July 2025 - Dec. 2025*
- Managed 10 committee members to serve the Berkeley unhoused population with food and care packages weekly
- Secured partnerships with Oakland Masjid Food Bank and Zakat Foundation for food-based community service projects

Muslims of Haas **Berkeley, CA**
VP of Professional Development *Jun. 2026 - Present*
- Working with startup accelerator Alif to establish a talent pipeline between MOH and startups in need of skilled employees
- Conducting a 4-part series on entrepreneurship careers in partnership with startups backed by Berkeley Skydeck and Alif
- Collaborating with other VP's on event planning to gain exposure and recognition as a competitive business organization
