Work Experience

DiAmore Creation Inc. *Los Angeles, CA*

MARKETING ASSOCIATE *June 2024 – August 2024*

- Improved product listings by **compressing** and **tailoring descriptions** to each unique jewel and wholesale piece, leading to a **12%** increase in jewelry sold through social media and their website, while also learning about risk management and profitability in the diamond industry
- Designed a streamlined **digital filing system** and produced jewelry product videos, centralizing paperwork, optimizing accessibility, supporting **50+ weekly listings**, and freeing CEO's time for more important business operations

Konstant Jewels Inc. *Los Angeles, CA*

SUPPLY CHAIN INTERN *June 2023 – August 2023*

- Packaged and quality-checked **1,200+ shipments weekly**, ensuring accurate order fulfillment and delivery in a fast-paced environment
- Matched high-value jewelry with labeled packages, maintaining **100% accuracy** and minimizing risk of inventory loss or misplacement.
- Traveled to a manufacturing facility in India by invitation to **support the overseas supply chain team** and to gain hands-on knowledge of the end-to-end diamond supply chain, from sourcing diamonds to wholesale distribution domestically and internationally

Beyond Extremes *Mumbai, India*

CUSTOMER ENGAGEMENT ASSISTANT *June 2024 – August 2024*

- Boosted company's social media viewership by **16%** after **implementing long-form videos** that teased and showcased clothing lines
- Collaborated with the CEO during a business trip to India and supported global marketing initiatives remotely, identifying strategic opportunities to **enhance brand publicity**, **expand international reach**, and **establish presence in the clothing market**

Leadership/Extracurriculars

FIRST Robotics Competition Team 589

DRIVE TEAM, RECRUITMENT CHAIR *August 2022 – June 2025*

- Resolved cross-team conflicts and led collaborations, earning the **Recruitment Chair** and advancing team to the **World Championships**
- **Selected from 180 students** to serve as **Drive Team Communications Lead**, coordinating real-time strategy during season tournaments
- Invited to represent team at the **World Championships**, as one of **20 students**, demonstrating technical expertise on an international stage
- Trained and supervised peers in the **safe operation of metal cutting and drilling equipment**, ensuring **compliance with safety standards**, reducing risk of injury, and preparing lower-classmen to become experts in efficient manufacturing and optimized robot design

Leora Trust Foundation

PRESIDENT *August 2023 – June 2025*

- Taught **underserved youth in India** conversational English via Zoom, delivering biweekly lessons to improve students' language proficiency and build confidence in communication, while **breaking barriers** to expand students' educational and career opportunities
- **Elected President after first year** in recognition of my students' progress and my leadership in expanding the program's impact
- Led outreach efforts that reached **100+ students** through events such as Club Rush, leading to an increase in student engagement

Alapio

ASSISTANT *August 2023 – June 2025*

- Assisted Dr. Bharat Patel in **setting up meetings, recording lectures for social media**, and **implemented feedback forms** into every meeting to improve the quality and engagement of future lectures, leading to an **8%** increase in new membership of medical professionals
- Streamlined check-in processes for **30+ medical professionals per meeting**, ensuring smooth logistics at Alapio medicine events

Area Insight: Student Reporting Application for GUSD

LEAD DEVELOPER *April 2024 – June 2024*

- Consulted **4 high schools in GUSD** to assess student concerns regarding violence and drug abuse, gathering insights to inform solutions.
- Designed and developed a **survey-based safety reporting app** for the school district, enabling students to confidentially report incidents of violence, sexual harassment, and drug abuse, allowing school staff to respond quickly to these scenarios and prevent further escalation
- Submitted the app to the **U.S. Congressional App Challenge**, demonstrating innovation and civic engagement
- Received feedback indicating that the app **significantly improved students' sense of safety and awareness**
